Bolton Outdoors and Patterdale Hall Daily Outdoor learning Challenge

Activity	Garden/Local Green space mapping	Date	23/3/2020

Aim/Activity and Instructions.

Create a detailed map of your garden or local greenspace.
1. Use a clip board and blank paper or if you have it grid paper
2. Decide which Outdoor space to use, front garden, rear garden etc. record your measurements (you could do this by first measuring your stride and then use this to calculate).
3. Decide on a suitable scale (1 stride = 1cm etc.) and draw a 'birds eye' (plan) view of your garden or outdoor space
4. Walk around your outdoor space and make a note of all the different features such as paving, flower beds, sheds, plant pots
5. Mark these features on your plan and try to draw them to scale
6. Draw any existing flower or vegetable beds, trees or large plants.
7. Remember to make a key for your map

Learning Outcomes:
Working to scale, Estimating size, Creating Keys, Drawing detail.
