

Bolton Outdoors and Patterdale Hall

Daily Outdoor learning Challenge

Activity	Outdoor Short Video	Date	22/4/20
----------	---------------------	------	---------

Aim/Activity and Instructions.

Today we are combining the outdoors with technology. We'd like you to make a short film about your Outdoor Green Space.

Please address the following aspects in it.

- Where is it? – Don't give us any address details – remember to be safe online!
- Why is it special to you?
- What is special about it?
- What wildlife can you find in it?
- How do you look after it?

You may make the video in your garden, in a green space on a walk or wherever you can. Please find a way to share them with us, ask an adult to put it on twitter if you can, or email them to us. Let us know if we can share them further online.

Learning Outcomes:

Diccovering and Exploring Green Spaces
Conserving green spaces
Sharing green spaces
Making short information films
Using technology.

Resources:
