

# Bolton Outdoors and Patterdale Hall Daily Outdoor learning Challenge

Activity

Silence and Reflection Part 2

Date

28/4/20

## **Aim/Activity and Instructions.**

Take a moment out of your day to spend some time outside just listening to what you can hear.

Lie down, close your eyes, open your ears. Breath deeply, smell.

Spend 10 minutes listening.

- What can your hear?
- Can you hear birds, or cars, or people, the wind, the trees rustleing?
- Clear you mind of other things, and just focus on listening.

After 10 minutes, perhaps spend another 10 minutes in the same position, whilst you are chilled, reflecting on the term ahead. Think about what you like, here are some ideas to get you started.

- What do you want to achieve?
- What will you work hard at?
- How will you cope with stresses?
- What are you worried about?
- What are you excited about?
- What will you promise yourself?
- How will you help someone else?

To finish, why not write down some of your thoughts in a journal or note pad, why not tell them to your adults, vocallising things can make it easier to follow through with them.

Remember, there is support around every corner, don't be afraid to share your thoughts.
